

Des Moines Community Orchestra

If you have been hesitant to join us for our concerts because you were unsure where Sheslow Auditorium is located, please refer to the map below.

Sheslow is on the campus of Drake University in Des Moines, just west of the Varsity Theater on 25th Street, in the first block north of University Avenue. There are two entrances into Sheslow, on the east and west sides of the building. Sheslow is also physically joined to Old Main, with Sheslow being at the north end of the structure.

Free parking is available on the adjacent streets, and in the large parking lot immediately to the northeast of Sheslow.

We hope you will join us for our next concert. Check out our website for more information: www.desmoinescommunityorchestra.org
